

**Jose Carlos Hermógenes Chamorro Cerón** - 07/09/1987 -

Nationality: Spain - Working Holiday Visa in New Zealand

**Master's Degree in Architecture.** Escuela Técnica Superior de Arquitectura de Granada (Spain).

I understand architecture like the accurate art for beautify the people's life. I love to travel, to converse, to practice sport, to be free, to smile and to live. "Simplicity is the ultimate sophistication", through the new possibilities who brings the BIM programs, this simplicity is also accurate. Nowadays I'm living my dream: working and traveling around the world since January 2017. Digital nomad: I work in my own company [firstlook.es](http://firstlook.es) doing web design, architectural projects and App's for iOS.
